

NEW MONTHLY WATER/SEWER BILLS

2017 brings in the New Year and a new water billing schedule from the city of Cleveland Division of Water. Communities serviced by Cleveland Water will be phased into the new monthly water/sewer billing.

Bedford Heights is scheduled to see its last quarterly bill at the end of January 2017. From then on you should get all of your water/ sewer bills on a monthly basis. Keep in mind, on your water bill the sewer portion will say, “Local charge”, and not sewer bill.

If you need any further information you can access the Cleveland Water website at, www.clevelandwater.com, or call the Water Reclamation Department at (440) 439-5343.
